RULINGS SETTLEMENT CONFERENCE:

All principals present. The parties are unable to reach a settlement. Responses to outstanding interrogatories and document demands will be served by March 22. Fact discovery will be completed by June 15.

THE COURT WILL HOLD A FINAL PRETRIAL CONFERENCE AT 11:00 AM ON JUNE 30, 2017.

The parties shall be prepared:
(1) To state their respective positions on settlement, with principals WITH FULL SETTLEMENT DECISION-MAKING AUTHORITY (UP TO THE AMOUNT LAST DEMANDED FOR DEFENDANTS, DOWN TO THE AMOUNT LAST OFFERED FOR PLAINTIFFS) PRESENT OR AVAILABLE BY TELEPHONE THROUGHOUT THE CONFERENCE.

(2) To articulate the basis for any anticipated summary judgment motions and to be familiar with any premotion conference procedures required by the district judge presiding over the case.

(3) To state whether they will agree to assignment of this case to a magistrate judge for all purposes, including jury trial and entry of final judgment. Counsel are encouraged to file a written application requesting a settlement conference on an earlier date if they believe it might be productive to do so.
